

GRAIN PENDANT LAMP

FURNITURE / LIGHTING / ACCESSORIES

PRODUCT FACT SHEET

JENS FAGER ON THE DESIGN "GRAIN is a versatile, environmentally friendly pendant lamp with a warm & welcoming appearance that provides a great quality of light. Interesting details such as the profiled edge & hidden cord lock give GRAIN lots of character despite its simple & iconic shape. The lamp's matt surface from a specially created mix of bamboo grain & plastic composite adds a new perspective to the lamp's look & feel. You can actually see the natural stains & patterns of the material's structure in it."

PROCESS	The lamp shade is made under high pressure casting. Shade and electrical components are hereafter assembled by hand.
DESIGNED BY / YEAR OF DESIGN	Jens Fager / 2015
TYPE	Pendant lamp
DESCRIPTION	A small sized pendant lamp in an innovative material that works well in rows and clusters of two or more. The lamp is equipped with a high quality LED light bulb that will last for 10.000 hours. The LED bulb will save energy but still reflect a natural light and a warm glow.
ENVIRONMENT	Indoor
DIMENSIONS (CM)	Height: 18,5 Ø: 21
MATERIAL	Lamp Shade in mixture of bamboo fibers and polypropylene. Rubber cord.
CANOPY	Canopy is included
