

# TURN SOFA

Congratulations with your new Turn sofa. This modern and multifunctional 2-seater is all about contrasts, as a strict sculptural outer shape complements a soft and inviting rounded inner. The reversible seat cushion is dual-tone and can be turned around in a snap in order to let you decide the look depending on your mood or personal preference. A double stitching detail underlines the two contrasting colours on each side of the cushion.

## CARE INSTRUCTIONS

**General maintenance:** Regular cleaning ensures that the upholstery fabric looks nice and prolongs its life. For daily cleaning either brush off the dirt gently or vacuum the surface. Be careful not to damage it with sharp points. If a hole occurs, this might result in damaging the fabric. So always be careful with shoes, jeans and sharp objects. For further cleaning professional dry cleaning is needed. Remember to protect your furniture from direct sunlight and heat.

**Important:** Please note that the cover on the seat cushion - even though it comes with a zipper - is not designed to be removable. So, do not take off the cover when cleaning.

**Removal of stains:** When stains occur, act as quickly as possible to keep your fabric beautiful. Remove liquid stains by carefully dabbing with a clean lint free cloth, preferably white.

Other stains can mostly be treated with soapy lukewarm water. Never use hot water as heat will set stains. We recommend using a PH neutral detergent. Rub the stain gently with a clean cloth and afterwards dab with a dry cloth to absorb moisture and soil. Edge marks can be avoided by soft, circular rubbing towards the centre of the stain. Or by blow-drying carefully on low speed.

If the stain has not disappeared we recommend you to use other appropriate colourless detergents or solvents. But always test this on a discrete area of the fabric first. Never use un-concentrated detergents, bleach, ammonia or soap for hard surfaces.

Please note that these are only recommendations. We can never guarantee complete stain removal. We always recommend contacting a professional cleaning company for additional advice regarding your stain. Please note that dark jeans may leave marks on the fabric and these marks can be difficult to get off.
